

Our Mission

Let the children come to me for the kingdom of heaven belongs to such as these.

MK 10:14

Our Vision Statement

We are people who stand before the silence and faith of the Holy Mothers, who ponder life as a "gift of the Spirit." Aware of their prayers, hopes and laughter, we join in solidarity with children's dreams to grow in age, wisdom and grace before God and humanity.

We promise our inheritance to be Hope, Hope for the Children of the World.

Who We Are

World of Hope Foundation, Inc. is a corporate community called to minister with the poor and one another. We commit to the call of our faith, to live the challenge of love, and to give witness to the inheritance of hope promised to all God's children. We believe in the pursuit of life for all people to promote total human development. World of Hope Foundation, Inc. is a 501(c)(3) not-for-profit charitable organization.

What We Strive To Become

-

A ministry of partnership with those who have heard the call of service to the needy and the poor.

-

A channel between people to share themselves and their resources, and a means to receive blessings of hope.

-

A part of the journey towards solidarity with the poor and one another.

What We Do

We provide material and financial assistance, and develop activities to educate the public of the plight of the poor in the U.S. and abroad. We launch systematic fund raising activities to finance sponsorship of malnourished children, indigent families, rural communities, and innovative programs designed to uplift the health, educational, economic and spiritual

lives of the poor. (excerpt from Certificate of Incorporation)

Where We Are Based

We operate in the states of California, Louisiana, New York, Ohio, Pennsylvania and Tennessee. The outreach of each State is administered by its Board of Directors.

The overall affairs of the Foundation are administered by the International Board of Directors, which is based in Louisiana. The chapters in California, Louisiana and Pennsylvania are responsible for administering a Sponsorship Care Program that incorporates systematic fund raising activities to finance sponsorship of malnourished children, indigent families, and rural communities. Programs are designed to uplift their health, education, economic and spiritual lives. The Ohio Chapter administers a Grants Program designed to assist children and the poor in the U.S. in a effort to alleviate suffering.

Our Isaiah 58 Missioner Program is located in the state of Tennessee. It provides a ministry of physical presence in the areas where our Sponsorship Care Programs are located through medical missions and other projects serving immediate and long-term needs of those communities, e.g., health, socio-economic, technological and educational, economic, and spiritual lives of the poor.

In 2002 Hope for the World-Philippines Children's Center, Inc. was established in Manila. Hope for the World-Philippines is a counterpart of World of Hope U.S.A.
