These children need your help!

How do you let us know that you are interested in sponsoring a child?

In the Philippines, all of the children's sponsorships have been increased to \$33.00 from \$22.00 a month due to the rising cost of daily living. Many of these children still need an \$11.00 increase. We also have some of the children needing to be re-sponsored. There are some other options on the sponsorship form below these pictures that you can print out and mail in to the Louisiana Chapter. You may prefer to give a one-time gift to help the children until all are fully sponsored.
