Music and Message To Inspire And To Heal

Music has been an integral part of World of Hope's ministry since the foundation began. Fr. Michael B. Semana, a gifted songwriter and musician, uses his talent and gift of music as a free service of love to help the poor live with dignity and self-respect. The net proceeds of music produced by World of Hope Foundation are used to administer its outreach programs to the poor.

Music breaks down all the walls that we erect around ourselves and goes directly to the heart. We have easy listening music for quiet moments, joyful music for family and prayer groups, and action songs for youth. For those who want to participate in the Mass, Spirit of Hope (Masses of Reconciliation II) will fill that need. Don't forget Christmas is coming! Christmas the Season of Hope sung by Fr. Mike is great music for the holidays!

You will find a variety of original music in our online library. Treat yourself or great for gift-giving. Check it out!
