

International Board

The Mission and Role of the International Board of Directors of World of Hope Foundation, Inc. is

- To direct the over-all affairs of the World of Hope Community through its witness of hope and leadership in the exercise of our call to become a leaven of hope in the world.
- To be a model community of hope and concern for building the spirit of unity, hope, joy, peace and love accomplished through dedication to prayer, commitment and sacrifice for the good of all in the spirit of our Credo of Hope.
- To exercise its community leadership among our members through spiritual, moral, educational, project, financial and active leadership witness and service.

All of World of Hope Foundation's Board members and staff give a free service of love to the poor. None are compensated for their dedicated service in whatever capacity.
